TESTIMONIALS

I realize that it's your "business" and your staffs "job", but I believe some people go above and beyond the call of duty and are more excellent than they are required to be. You and your staff were exactly that and we will never be able to adequately express our gratitude.

Michele Wascek ... Chicago

Here's a list of what NOT to give her for Valentines Day:

1. A box of chocolates, clumsily rearranged in an attempt to hide the fact you ate all the carmel ones.
2. Lingerie that you think will look almost as good on her as on the Victoria's Secret model.
3. Any clothing item with the words "push-up" or "slim-down" on the label.
4. Any food item with the words "diet", "light", or "high fiber" on the label.
5. Any video starring Sylvester Stallone, Jim Carrey, or Jenna Jameson.
6. Flowers from a hospital's gift shop--or worse, a mortuary's.
7. Poetry, no matter how heartfelt, that starts out "There was once a girl from Nantucket..."
8. Anything you ever gave another woman, including your mother.
9. Any household appliance, power tool or other item from the harder side of Sears.
10. A gift certificate.
11. Cash.
12. Anything you could have bought at the gas station mini-mart on the way over, even if you didn't.
13. An apologetic look and the words "That was today?"

Ask Your Wife Out On A Romantic Date

If you want to romance your wife, think about how you won her heart in the first place. Your romantic relationship may have started out when you called her and asked her out on a romantic date. When you went out for the first time, you were sweet, romantic and you tried hard to impress her. She apparently enjoyed your loving attention, because she ended up marrying you. If you want to romance your wife, it is time to start dating her again. After you've decided on the plans for your romantic date, call her several days in advance and ask her out. When you call her, act like you are asking her out for a first date.

February 2009

MEN: WARNING! WARNING! WARNING!

A woman was taking an afternoon nap. After she woke up, she told her husband, "I just dreamed that you gave me a pearl necklace for Valentine's Day. What do you think it means?"

"You'll know tonight," he said.

That evening, the man came home with a small package and gave it to his wife. Delighted, she opened it - only to find a book entitled "The meaning of dreams". (this does not end well for him)
