## Mama Luigi's Celebrates 60 Years in Business

**Wow!** Time flies when you're busy in the kitchen. Every year we ask the question "where has the time gone?" Well the answer is the time has gone into a lifetime of cooking and serving people that have become more than great customers. My family and I have made a multitude of friends throughout the years thanks to your association with Mama Luigi's. I love when someone writes or calls to let us know that when they come in to the restaurant they feel like family. That's what we are, one big family.

Thank you, Jim

George & Susan  
For The Kind Words**

Hi Mama Luigi's,  
Several months ago, we dined one evening and the special was a Ribeye with Crimini Mushrooms and Escarole. It was possibly the best steak I have ever had. Will you be offering it again in the near future? We were there Wednesday evening for dinner and once again had a perfect meal and time with our friend, but I would love the opportunity to enjoy that dish again. Thank you for delicious meals, good times and a very enjoyable newsletter/email. We enjoy staying in touch.
