New Gluten Free Menu

What is Gluten Free?

It's an allergy or sensitivity to wheat, barley and rye. Most people who live the gluten free lifestyle are forced to, others do it by choice. Symptoms may include digestive disorders, skin rashes and a weakened immune system. Contact your Dr. if you think this might be you.

St. Patrick's Weekend

The Best Corned Beef, Cabbage and Boiled Potatoes You'll Ever Eat !!!

St. Patrick's Day is special to Mama Luigi's
Mama Luigi's opened for business on
St. Patrick's Day in the 1940's.

Last year we served well over a hundred Corn Beef dinners. (Not bad for an Italian Restaurant)

It seems far-fetched that the **best corned beef, cabbage and boiled potatoes** would be found at an Italian restaurant, but I kid you not. Our Chef has mastered the art of cooking this difficult dish. Yes we're talking about **mouth watering tender slices of corned beef with steamed to perfection cabbage and delicious buttery boiled potatoes with a side dish of his spectacular secret recipe horseradish sauce.** This is Corned Beef, Cabbage and Potatoes like you have never experienced!

We will feature this special from Thursday March 17th through Sunday March 20th

Just How Big Do Those Lottery Jackpots Get?

“Winning the lottery” may not be a sound investment plan, but it's paid off for a lucky few. Here are some of the biggest jackpots in U.S. history:

- **\$390,000,000.** In 2007, two ticket holders (one from Georgia and another from New Jersey) split this Mega Millions jackpot, both choosing a lump-sum payout worth \$116,957,083.
- **\$365,000,000.** This was a Powerball jackpot in 2006, jointly held by eight co-workers at a meat processing plant in Nebraska. The lump-sum payout came to \$177,270,519.67.
- **\$315,000,000.** A group calling itself “the Lucky 7” invested in this winning ticket in 2005 and took a lump sum of \$175,000,000.
- **\$314,900,000.** A West Virginia man won a Powerball drawing in 2002, collecting a lump sum of \$170,505,876.
- **\$294,000,000.** A woman in Lowell, Mass., was the sole winner of a July 2005 Mega Millions jackpot, taking home \$168,480,412.

Sixty + Wonderful Years! Come Celebrate Our Anniversary with Us

**March is our anniversary month and we
want to celebrate with you!**

Mama Luigi's has been in the neighborhood for 60 years. The neighborhood actually grew around Mama Luigi's! Back in 1948 Harlem Avenue was a 2 lane highway passing through Bridgeview and there was plenty of prairie and farms between the occasional stores. Those prairies gave way to families expanding to be the neighborhoods and communities we know and love today.

Come celebrate our 60+ years in business here at Mama Luigi's

We have set aside a number of cases of champagne for our celebration. All you have to do is call us and mention you're celebrating with us when you make your dinner reservation and we'll reserve your table and a **FREE bottle of champagne!**

**A toast to the past, present and
future.**

**So, don't forget, you have to call and
make a reservation. Mention that you're
going to celebrate our anniversary with
us and we'll have a bottle of champagne
on ice waiting for you!**
