## Rx PRESCRIPTION FROM DR. JIM

The list of wine's benefits is long—and getting more surprising all the time. Already well-known as heart healthy, wine in moderation might help you lose weight, reduce forgetfulness, boost your immunity, and help prevent bone loss.

With America likely to edge out France and Italy in total wine consumption in the near future, and with women buying more than 6 out of every 10 bottles sold in this country, I figure there's no better time than now to start getting all the benefits along with the pleasure of sharing a bottle of wine with your next dinner with us.

## \$5.00 OFF ANY BOTTLE OF WINE

You read it right, no small print, or “catches” - Every day in May, every bottle of wine on our list is **\$5.00 OFF** with this certificate. We got a great deal from our

wine supplier and we're passing the savings along to you! So if there is something special you've been meaning to try, now's your chance.

Any day in May take us up on our special price offer on ANY bottle. Good with other offers, no strings attached.

- When you bring MOM in this month you can enter to win our Dad's Day Bar-B-Q Grill Contest. Every time you come in from May 1<sup>st</sup> to Fathers day, June 17<sup>th</sup> you can drop an entry into the bar-b-que grill jar. The grill will be on display in the foyer until the drawing on June 21<sup>st</sup>!

## YOU HAVE GOT TO TRY OUR NEW GELATO, SORBETTO AND SPUMONI !!

Gelato is an Italian frozen dessert, similar to ice cream. Its ingredients include milk and sugar, often combined with flavorings and fruit, chocolate, liquor, spices, or nuts. Gelato melts faster than ice cream because of its semi-frozen consistency. Gelatos are lower in fat and calories than traditional ice cream. Once combined, the gelato ingredients are cooled; the resulting product contains little air, which results in a denser, more flavorful dessert. A form of gelato made with water and no milk is called sorbetto. Gelato is best served fresh. Northern Italy is famous for the dairy form of gelato, and Southern Italy and Sicily take credit for the sorbetto version. Popular gelato flavors include chocolate, hazelnut, pistachio, strawberry, lemon, and combinations of vanilla, chocolate, and nuts. Spumoni's recipe includes three different gelatos. We will be offering different flavors throughout the year and are starting out with the following variety.

- Vanilla Gelato**
  - Stracciatella Gelato (Chocolate Chip)**
  - Mango Sorbetto**
  - Peach Sorbetto**
  - Granita (Lemon Ice)**
  - Spumoni**
  - Tartufo**
- (Hazelnut gelato coated in shaved chocolate and cocoa)
