TESTIMONIALS

I realize that it's your "business" and your staffs "job", but I believe some people go above and beyond the call of duty and are more excellent than they are required to be. You and your staff were exactly that and we will never be able to adequately express our gratitude.

Prime Rib Sundays

One of my favorite Dinners is Prime Rib. The most tender, flavorful prime beef you can imagine. Slow roasted with just the right amount of seasonings, We just don't have it as often we would like. I think because we forget about it until the holidays come around. Well we're going to change things around just a little bit by roasting a prime rib every Sunday in October. So, if this happens to be one of your favorite dinners then you need to get here on Sunday and enjoy a roast that has the title of "Roast Prime Rib of Beef." because there's nothing better.

The Holidays Are Just Around The Corner...

Visiting Our Roots in Italia Part II

One of the best experiences we had in Castagna was being able to observe how our relatives live in comparison to how we live here. They don't have large freezers full

of food. They grocery shop more frequently from small local stores, many more specialty shops for cheese, fresh and cured meats, bakeries for bread and desserts and a couple pizza parlors. The wine from the area is some of the finest Italian wine I've ever tasted. Our cousin, Serefino, makes his own and I must say it's outstanding. I wish I could bring it here to share with all of you. You can see the delight in Serefino's face as he holds one of his handpicked favorites up in the air. Serefino, my brother Bob and I have the pleasure of drinking a toast to family re-connecting and enjoying each others company before taking a couple bottles back to Serefino's house

to share with one of the many delightful dinners Concetta prepared for us on our visit. We can't wait till we get the opportunity to return.

Thank You for the Kind Words

This is the nicest restaurant in our neighborhood-good food close to home.

Ginny Emmett...Chicago

We have been coming here for 14 years- it's the bruschetta / there's none like it anywhere.

The food has maintained the same high quality and taste.

Sweetest Day All Month Long Tips On How to Romance Your Wife

Take Walks with Your Wife

When the weather is nice outside, take a walk with your wife. You can take a walk around the neighborhood or take a walk in a park. Walk at a relaxing, unhurried pace and hold her hand. Taking a walk is a great way to get a little alone time with your wife.

Hold Hands with Your Wife in a Restaurant

Next time you are alone at a restaurant with your wife, reach across the table and hold her hand. Look deep into her eyes and, with your other hand, gently caress her hand. You will probably look like the most romantic couple in the restaurant, so don't be surprised if the waiter asks if it is your anniversary.

Share a Dessert with Your Wife

Hopefully after dinner you have room to share a dessert. Lovingly feeding dessert to one another is a wonderfully sensual and romantic experience.

Tell Your Wife What You Love About Her

This one is easy and should be a lot of fun. Tell your wife what you love and adore about her. Look for opportunities to sincerely complement her. Taking the time to do that will make her feel good about herself, you and your relationship.

We'll be celebrating Sweetest Day ALL MONTH LONG!

We've put together a special romantic dinner package including a basket of fresh bread and focaccia with our delicious bruschetta, choice of soup or salad, Two Succulent Tender Lobster Tails and Eight Juicy Mouthwatering Filet Mignon Medallions with our irresistible double baked potatoes and fresh vegetable.

79.99 per Couple
