MAKE ANY NIGHT DATE NIGHT

Making Date Night special can be difficult. What to do? Where to go? And the cost! Going to the movies these days can take a big bite out of your wallet. You've already spent \$25.00 on tickets.

All you got out of it was some popcorn and a soda and you sat in the dark and didn't say one word to each other. What kind of a date night is that? Mama Luigi's makes Date Night special and economical. For **only \$39.95** you get an **appetizer, a bottle of wine, your choice of entrees that include: Filet Mignon Medallions, Seafood Special of the Day, 14 Chicken Favorites and 20 Traditional Pasta entrees plus a shared dessert.** You'll have spent quality time together enjoying each other's company while enjoying a fabulous dinner. Now, doesn't that sound better than a movie and some popcorn?

ONLY 39.95

that's less than \$20.00 a person for

Tips On How to Romance Your Wife

Take Walks with Your Wife

When the weather is nice outside, take a walk with your wife. You can take a walk around the neighborhood or take a walk in a park. Walk at a relaxing, unhurried pace and hold her hand. Taking a walk is a great way to get a little alone time with your wife.

Hold Hands with Your Wife in a Restaurant

Next time you are alone at a restaurant with your wife, reach across the table and hold her hand. Look deep into her eyes and, with your other hand, gently caress her hand. You will probably look like the most romantic couple in the restaurant, so don't be surprised if the waiter asks if it is your anniversary.

Share a Dessert with Your Wife

Hopefully after dinner you have room to share a dessert. Lovingly feeding dessert to one another is a wonderfully sensual and romantic experience.

Tell Your Wife What You Love About Her

This one is easy and should be a lot of fun. Tell your wife what you love and adore about her. Look for opportunities to sincerely compliment her. Taking the time to do that will make her feel good about herself, you and your relationship.

Thank You for the Kind Words . . .

Most enjoyed visiting with Jim and Victoria. It is always good when as a customer, you are treated more like family.

We did the "date night" deal. SUCH A GREAT DEAL!! \$39.95 or something like that....How can you beat that??? Appetizers, salad, main course, dessert, a bottle of wine, are you kidding me????

David Dineff

We came in for the Wednesday "Date Night" special. It was a great value, the food and wine were excellent and the server friendly and attentive. We had a most enjoyable date night!

Is Your House Ready For Winter?

Before the weather gets too cold, it's wise to check your house for vulnerabilities to the coming winter. Some areas to examine:

Roof

- Look for missing shingles, cracked flashings, and broken overhanging tree limbs.
- Check the chimney for mortar deterioration and loose bricks.
- Inspect the underside of the roof, from the attic, for any signs of leakage.

Exterior

- Check at the foundation for cracks in the concrete, and low spots in the soil where water can accumulate against the foundation.
- Look at the caulking in the siding and around the window and door trims.

Heating system

- Turn on the heating system, and ensure that the heat is being delivered to all outlets.
- Check your filter, and change it if necessary. Buy some extra filters so you can change them easily during the winter season.

TESTIMONIALS

I realize that it's your "business" and your staffs "job", but I believe some people go above and beyond the call of duty and are more excellent than they are required to be. You and your staff were exactly that and we will never be able to adequately express our gratitude.
