### **The Value of an after-school conversation**

Asking your kids about their school day is a good idea, according to Vanderbilt University researchers. Why? The researchers say they already knew that children learned best with their moms or a peer, but it wasn't clear whether this was because the children were getting feedback and help, or merely because they were explaining their solutions to someone. In the study, the researchers had mothers simply listen to their children without providing any assistance.

"The basic idea is that it is really effective to try to get kids to explain things themselves instead of just telling them the answer," says Bethany Rittle-Johnson, professor of psychology at Vanderbilt's Peabody College of Education. "Explaining their reasoning, to a parent or perhaps to other people they know, will help them understand the problem and apply what they have learned to other situations."

## **FREEZING BANANAS**

If you have an abundance of bananas, or if yours have turned black, peel them, wrap them in foil, and pop them in the freezer. They'll keep for four to five months. You can eat them as a frozen treat or use them for baking. Black bananas are riper and therefore sweeter than fresher yellow bananas, making them perfect for cakes and loaf breads. Freeze them two at a time, the equivalent to about one cup.

## Half way to St. Patrick's Day

How many times have you said I can't wait till this day or that event comes around again?

Waiting for that special time when you can have one

of your favorite meals like corn beef and cabbage is crazy! We can't have two St. Patrick's days but there's no reason why we can't celebrate half way to St. Patrick's day.

### The Best Corned Beef, Cabbage and Boiled Potatoes You'll Ever Eat !!!

It seems far-fetched that the best corned beef, cabbage and boiled potatoes would be found at an Italian restaurant, but I kid you not. Our Chef has mastered the art of cooking this difficult dish. Yes we're talking about mouth watering tender slices of corned beef with steamed to perfection cabbage and delicious buttery boiled potatoes with a side dish of his spectacular secret recipe horseradish sauce. This is Corned Beef, Cabbage and Potatoes like you have never experienced!

We will feature this special from Wednesday September 17<sup>th</sup> till Sunday September 21<sup>st</sup>.

### Thank You for the Kind Words
