Hay... Mama's Calling You!

September 2010

Not in the mood for a complete dinner?

Well, why not just order a sandwich.

We've had a flood of request for a sandwich menu to be available for our guests that aren't in the mood for a whole dinner. So Mama Luigi's has just added a sandwich section to our Special Menu Selection.

Italian Beef Dip with fries.

Thin sliced roast beef with our special blend of seasonings piled high on Italian bread with a side of au jus for dipping.

Grilled fresh to order Italian Sausage with fries.

Our signature Italian sausage may take a few minutes longer to cook but it's worth every second, served on Italian bread dipped in meat sauce.

Black Angus Burger with fries.

A half pound burger of the highest quality Black Angus beef grilled to order and served with lettuce and tomato.

Black Angus Steak Sandwich.

This is a 9 oz. portion of Black Angus Sirloin Steak butcher trimmed like a filet. It's large and it's thick so if you like your steak medium rare or rare you will love this cut. If you prefer your steak cooked medium, medium well or well done we can butterfly cut your steak for you.

We're serving these sandwiches every day all day so the next time you are in the mood for a sandwich just stop by.

**CLOSED LABOR DAY
SEPTEMBER 6TH**

Half way to St. Patrick's Day

How many times have you said I can't wait till this day or that event comes around again?

Waiting for that special time when you can have one

of your favorite meals like corn beef and cabbage is crazy! We can't have two St. Patrick's days but there's no reason why we can't celebrate half way to St. Patrick's day.

The Best Corned Beef, Cabbage and Boiled Potatoes You'll Ever Eat !!!

It seems far-fetched that the best corned beef, cabbage and boiled potatoes would be found at an Italian restaurant, but I kid you not. Our Chef has mastered the art of cooking this difficult dish. Yes we're talking about mouth watering tender slices of corned beef with steamed to perfection cabbage and delicious buttery boiled potatoes with a side dish of his spectacular secret recipe horseradish sauce. This is Corned Beef, Cabbage and Potatoes like you have never experienced!

We will feature this special from Friday September 17th till Sunday September 19th.

Back to School.... Don't Overload Yourself

BACKPACK SAFETY

- Choose a backpack with wide, padded shoulder straps and a padded back.
- Pack light. Organize the backpack to use all of its compartments. Pack heavier items closest to the center of the back. The backpack should never weigh more than 10 to 20 percent of the student's body weight.
- Always use both shoulder straps. Slinging a backpack over one shoulder can strain muscles. Wearing a backpack on one shoulder may also increase curvature of the spine.
- Consider a rolling backpack. This type of backpack may be a good choice for students who must tote a heavy load. Remember that rolling backpacks still must be carried up stairs, and they may be difficult to roll in snow.
